HIGH QUALITY STAINLESS STEEL PRODUCTS

ABOUT

Thorinox is a Canadian company specialized in the sale of high quality stainless steel products, such as storage cabinets, work tables of all sizes, wall shelves and sinks (single, double or triple).

Thorinox products are ideal for restaurants, institutional kitchens, laboratories, garages and other specialized uses. Most products are certified NSF (sinks are CSA approved). They meet all the highest standards of quality and durability. We have developed an automated manufacturing process that ensures the products are free from defects.

The product line is distributed across Canada through Distex M&M Inc, a Montreal-based wholesaler, with warehouses across the country.

WHY THORINOX?

Thorinox is a Canadian company that built its excellent reputation throughout the years based on multiple factors and we are very proud of it.

We have the best customer service you can ask for. Our dedicated employees take your needs in to account very seriously and ensure that you will be given accurate information in a timely manner.

High quality is not an option, it is a standard. We only provide products that are reliable and long lasting. We pay a particular attention to small details that will make our products better and easier to use.

We keep high levels of inventory across the country to ensure we have the products you need when you need them. Our warehouses are filled and ready to process and deliver your goods in a timely and efficient manner.

We offer experienced and unmatched after-sales service. Our team is here to answer your questions by offering a first class representation that is also supported by our warranty team.

WARRANTY

Thorinox Inc. warrants that all Thorinox products will be free from defects in material and manufacture at time of shipment.

Thorinox offers a one-year parts only warranty on its products, which covers against rust or corrosion or manufacturer's defect, when used under general indoor conditions. This warranty is made for the benefit of the original owner under normal usage and an original proof of purchase must be provided with any warranty claim.

Thorinox' liability is limited to the replacement of defective products or parts, following inspection by a Thorinox representative. Any returns must be prepaid freight to Thorinox and Thorinox will not be responsible for any and all ancillary expenses that may arise.

This warranty is applicable in Canada only.

PRICES AND PRODUCT SPECIFICATIONS

Prices are in US Dollars and are subject to change without notice. Prices may change due to unforeseen cost increases of imported products, raw materials or currency fluctuations. As we strive to provide high quality products, specifications are subject to change without prior notice. Some variations between pictures and products may occur.

ORDER PLACEMENT

All general orders must meet or exceed \$250.00 net minimum. A \$25.00 handling charge will automatically be added to any order if it does not meet the requirements set above. We require a written confirmation for all verbal orders. Please send them by fax or by email.

RETURNS

We will not accept returns unless approved in writing. Returned goods must be received within 60 days of purchase. To obtain a return authorization, please call 1.800.567.3620. All authorized returns must be FREIGHT PREPAID. A restocking fee of 25% will be applied to any unused products in their original packaging. Returned products which have been used, opened or are without their original box, are subject to inspection and a 50% restocking fee may be applicable.

FREIGHT OR HANDLING DAMAGE

All items must be visually inspected for any damage, no matter how insignificant. If an item is received damaged, it must be clearly indicated "Received Damaged" on the carrier's waybill. Thorinox will not replace or credit any damaged equipment, if not confirmed and damage described in writing at the time of delivery. Thorinox does not prepay any third party shipments.
